Re: Supplement to National Grid USA's Comments in Docket No. UE-160353

Dear Mr. King:

On June 16, 2017, National Grid USA ("National Grid") filed comments in the Washington Utilities and Transportation Commission ("WUTC") proceeding relating to Pacific Power & Light Company's 2017 Integrated Resource Plan ("PacifiCorp IRP"), Docket No. UE-160353, which have been posted on WUTC's website. In those comments filed with WUTC, National Grid indicated that it would be supplementing its comments to WUTC with the comments filed with the Oregon Public Utilities Commission ("Oregon PUC") on June 23, 2017. Thus, National Grid is submitting a supplement to the comments which it filed with WUTC which consists of the comments it filed today on the PacifiCorp IRP with the Oregon PUC.

Please contact me if you have questions.

Sincerely,

/s/ Jack Stoddard
