Dear Customer:

June 30, 2019

Harold LeMay Enterprises, Inc. has filed a request for a rate increase with the Washington Utilities and Transportation Commission (WUTC). The last general rate increase was approved by the WUTC November 1, 2010. Since that time, the Company has experienced higher costs for employee wages, benefits, fuel, truck equipment and has purchased additional capital assets.

If approved by the WUTC, the proposed rates will become effective August 1, 2019.

	Current Rate Per Month	Proposed Increase Per Month	Proposed Rate Per Month
Multi-Family Recycling			
Multi-Family Recycling Bins	3.57	0.56	4.13
Other recycling services not listed will increase an average of 6.89%			

Effective August 1, 2019, Harold LeMay Enterprises, Inc. dba Rural Garbage Service's tariff will be combined with Harold LeMay Enterprises, Inc. Pacific Disposal and Butler's Cove Refuse Service's tariff. This will create administrative efficiencies, and simplify the customer set-up process. You will not experience any change in service levels, or bill payment processes following this tariff combination.

If you have any questions regarding this increase, please contact Harold Lemay Enterprises, Inc. between 8 a.m. and 5 p.m. Monday through Friday.

The Commission has the authority to set final rates that may be either lower or higher from the company's request, depending on the results of its investigation. Commission staff will make a recommendation to the Commissioners at an open meeting which is scheduled for 9:30 a.m. on July 26, 2019 at 621 Woodland Square Loop SE in Lacey. The WUTC is committed to providing reasonable accommodation to participants with disabilities. If you need reasonable accommodation, please contact the Commission at (360) 664-1132 or human_resources@utc.wa.gov. You will have an opportunity to comment in person at this meeting.
