RE: *Washington Utilities and Transportation Commission v. Queen City Business Movers LLC*  
Commission Staff Recommendation to Waive Suspended Penalties of Order 01  
Dockets TV-200870 and TV-200869 (Consolidated)

Dear Ms. Maxwell:

On December 8, 2020, the Washington Utilities and Transportation Commission entered Order 01 (Order) in Dockets TV-200870 and TV-200869 (Consolidated). The Order approved Queen City Business Movers LLC's (Queen City or Company) safety management plan and upgraded the Company's safety rating to conditional. The Order further imposed a \$12,450 penalty against Queen City and suspended a \$8,000 portion of the imposed penalty for a period of two years, and then waived, subject to the following conditions:

- a) Queen City must maintain a conditional safety rating;
- b) Commission staff (Staff) must conduct a follow-up investigation at least six months from the date of the Order;
- c) The Company may not incur any repeat acute or critical violations of WAC 480-15 upon reinspection; and
- d) Queen City pays the \$4,450 portion of the penalty that is not suspended.

On March 18, 2022, Queen City paid the \$4,450 portion of the penalty that was not suspended.

On March 30, 2022, Staff completed the required follow-up investigation. The Company achieved a satisfactory safety rating and did not receive any repeat acute or critical violations.

Staff finds that Queen City satisfied the conditions of the Order and recommends that the \$8,000 suspended penalty be waived.
