RE: Tipping Fee Increase

To provide solid waste collection with sufficient time to prepare and submit tariffs and rate filings for public comment and commission approval Ferry County is providing the seventy-five days' notice (RCW 703.95.212) of a change in tipping fees at the transfer station.

The Board of Ferry County Commissioners approved and voted to raise the tipping fee at the Torboy Transfer Station. The tipping fees will increase from \$184.50 to \$189.85 per ton. The minimum charge will stay at \$15.50/180 pounds effective April 1 2025. Sunshines rates will be set at \$183.25 per ton.

If you have any questions or concerns regarding this increase, please feel free to contact me at (509) 775-5225 ext. 4110.

Sincerely,

Ron Charlton
