AMERICAN
ENVIRONMENTAL MANAGEMENT CORP.

LIMIT YOUR LIABILITY WITH **AMERICAN** ENVIRONMENTAL MANAGEMENT CORP.

AMERICAN ENVIRONMENTAL MANAGEMENT CORPORATION is a full service biohazardous waste management company with certified staff to assist customers in developing biohazardous waste segregation, collection, and storage strategies. Our sales and technical staff are trained and educated in current local, state, and national biohazardous waste regulations to ensure the safest and most effective service for your situation.

AMERICAN ENVIRONMENTAL MANAGEMENT CORPORATION will limit your liability with biohazardous waste removal with its:

- Statewide authorized service
- Trained response personnel
- Cost effective, flexible schedule for material pick-up
- Destruction in our fully permitted, state-of-the-art incinerator

AMERICAN ENVIRONMENTAL MANAGEMENT CORPORATION has extensive experience in solid and hazardous waste management and can develop a program to adapt to your facility. AMERICAN ENVIRONMENTAL MANAGEMENT CORPORATION waste removal programs include the following benefits:

- Rigid wall, lined collection containers
- Off-site storage lockers available
- Pollution liability insurance coverage
- Certificate of destruction provided

AMERICAN ENVIRONMENTAL MANAGEMENT CORPORATION is qualified to assist in limiting your liability when it comes to biohazardous waste management. Please call our office for a complete consultation 206/485-7100, or toll free in Washington state 1-800-637-7939.
