**Subject: Wrapped Steel Services Assessment 2019 Program Risk Model Results (Docket PG-041624)**

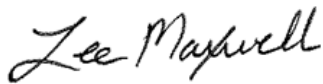

Dear Ms. Zakrzewski,

Pursuant to Docket PG-041624 (Wrapped Steel Services Assessment Program Second Settlement Agreement), Puget Sound Energy (PSE) is providing you the results of the 2019 risk model run for those services within the City of Bellevue. The attached table summarizes the population of services within each mitigation category based upon the risk results.

There is 1 service that falls within the Priority Replacement mitigation category and 1 that falls within the Scheduled Replacement mitigation category based upon the 2019 model run. PSE is targeting to have the Priority and the Scheduled Replacement service replaced by December 31, 2020.

If you have any questions, please call me at 425-462-3575.

Sincerely,

Lee Maxwell
