Subject: WUTC v. Avista Corp., Docket No. UE-110876/UG110877 (Consolidated) CORRECTED Direct Testimony of Ralph Cavanagh and Exhibits 1-5

On November 2, 2011, we electronically submitted the Direct Testimony of Ralph C. Cavanagh on Behalf of NW Energy Coalition. Through an error on our part, that Testimony was submitted on plain paper rather than on ruled and numbered paper as provided in the rules. In order to correct that error, we are asking the Commission to withdraw yesterday's filing and accept this filing in its place. Except for the date on the front page, there have been no other changes to the text of Mr. Cavanagh's Testimony, nor have there been any changes made to the exhibits.

Attached are the following corrected documents:

1. Cover Letter to David Danner;
2. Direct Testimony (Non-Confidential) of Ralph C. Cavanagh on Behalf of NW Energy Coalition and Exhibits 1-5; and
3. Certificate of Service.

The documents are provided in both PDF and Word versions (when available). Please contact me if there are any problems with this filing.
