**Re: U-180525—NW Natural Response to Notice of Opportunity to File Written Comments on Proposed Rules**

Dear Mr. Johnson:

Northwest Natural Gas Company, dba NW Natural (“NW Natural” or the “Company”), submits the following in response to the Washington Utilities and Transportation Commission’s request for comments regarding the proposed rules governing Advanced Metering Infrastructure (AMI) technologies for investor-owned utilities in Washington in docket U-180525.

The Company has reviewed the proposed cost of service study rules and does not have any comments or proposed revisions at this time beyond those it already has filed in this docket.

NW Natural appreciates the opportunity to review and comment on the proposed rules. Please contact me at (503) 610-7074 if you have questions regarding our response.

Sincerely,

*/s/ Natasha Siores*
