Exh. SEF-4T	Page 16, Lines 10-11	<p>Add language as shown below:</p> <p>Prior to 2017, <u>internal legal costs and</u> external legal costs attributable to the Tacoma LNG Project had been accumulated in Tacoma LNG Project capital accounts, but not in a legal cost category.</p>
Exh. SEF-4T	Page 21, Lines 11-14	<p>Replace language as shown below:</p> <p>Because a Commission order in Docket UG-151663 was not received until November 2016, there was no established capital project to which internal legal counsel could charge their time. Therefore, it is not possible to re-create the hours that internal legal counsel spent prior to this time.</p> <p><u>The internal legal costs prior to 2017 were less than \$160,000 and were allocated between PSE and Puget LNG based on the 43 percent/57 percent split approved in Order 10 in Docket UG-151663.</u></p>
