KENNEWICK, WASHINGTON; June 17, 2016

CHAIRMAN DANNER: Good evening. I'm Dave Danner.  
I'm chair of the Washington Utilities and  
Transportation Commission, and this is the public  
comment hearing for the general rate case filed by  
Cascade Natural Gas on December 1, 2015.

Today is June 17, 2016, and this is Docket  
UG-152286 before the Washington Utilities and  
Transportation Commission. The commission is comprised  
of three members. Commissioner Ann Rendahl and  
Commissioner Philip Jones are not here tonight but will  
be reviewing transcripts of the meeting.

So normally this is the opportunity for the  
commission to take public comment. We held a public  
comment hearing in Mount Vernon on June 14, and we are  
here today in Kennewick to hear public comment tonight.  
However, we are now five minutes after 6:00 o'clock,  
and it appears that no members of the public have  
decided to avail themselves of the opportunity.

And so we will close the hearing without hearing  
public comment. I will take note that in attendance  
tonight we have members of the UTC staff, Lisa Gafken  
of the office of public counsel of the State Attorney

APPEARANCES  
ON BEHALF OF PUBLIC COUNSEL:

LISA W. GAFKEN  
Assistant Attorney General  
Public Counsel Division  
800 Fifth Avenue  
Suite 2000 TB-14  
Seattle, Washington 98104-3188

General, and staff members of Cascade Natural Gas.  
So without further ado, I think we will simply  
adjourn the hearing tonight, and we will continue to be  
accepting public comment until next Friday for those  
who want to submit comments by e-mail or mail or by  
telephone. So without further ado, we are adjourned.  
(Public comment hearing adjourned at  
6:06 p.m.)
