Re: Washington Utilities and Transportation Commission v. Marbello Water Company, Docket No. UW-041181

TO ALL PARTIES:

The Commission entered its Order No. 04 in this docket—Order Approving and Adopting Settlement Agreement and Dismissing Complaint—on November 10, 2004. The Order approved the settlement agreement between the company and Commission Staff. The settlement agreement called for a slight increase in revenue and a restructuring of rates to allow for an increased share of revenue to be collected from base rates rather than from usage rates.

On November 15, 2004, the company filed its tariff sheet, Schedule No. 4, Measured Rate Service, in compliance with Order No. 04.

The Commission has reviewed the compliance filing and finds that it complies with the Commission's Order.

Therefore, pursuant to the terms of the Order, the tariff sheet indicated on the attachment to this letter will become effective as filed with an effective date of December 1, 2004.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
