**NOTICE OF CONTINUANCE
(Friday, May 19, 2006)**

RE: *In the Matter of the Penalty Assessment against Jordan River Moving & Storage, Inc.*, Docket TV-051472

TO ALL PARTIES:

On April 19, 2006, the parties advised the commission that they had reached a full settlement in this case and expected to file a copy of the settlement agreement on or before May 5, 2006. The parties requested that the commission cancel the hearing now scheduled for May 8, 2006 and asked that the commission review the settlement without hearing. The parties also waived entry of an initial order.

Pending receipt of the settlement agreement, the commission will grant a continuance of the hearing date in the event that there is a problem with the agreement that requires the hearing schedule to remain in place. Upon receipt and review of the agreement, the commission will determine whether to cancel the hearing and notify the parties accordingly.

NOTICE IS GIVEN That the evidentiary hearing in this case is continued from May 8, 2006 to Friday, May 19, 2006, pending receipt of a settlement agreement and further notification to the parties.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
