Roman Solutions LLC d/b/a Rocket Transportation ("Rocket Transportation") filed an application with the Washington State Utilities and Transportation Commission ("WUTC") for a bus certificate. Four business entities providing transportation services in the area filed protests to the application. Rocket Transportation and the Protestants have reached a settlement agreement in principle, revising the language of the application and notice in question, and satisfying all Protestants' concerns. The WUTC has scheduled an adjudicative hearing on the settlement agreement reached by the parties and on the now-unprotested application of Rocket Transportation.

By and through its attorneys Lane Powell PC and Andrew W. Steen, Rocket Transportation submits the following list of exhibits and witnesses to be offered, if necessary, at the adjudicative hearing before Judge Torem, scheduled for 9:30 AM, July 11, 2007. Rocket Transportation does not intend to present all witnesses and exhibits listed below unless the need is demonstrated at the time of hearing.
