**Re: Puget Sound Energy, Inc
Request For Proposals from All Generation Sources and
for Energy Efficiency Programs (Docket No. UE-072023)**

Dear Ms. Washburn:

Consistent with the Commission's Order No. 01 Approving Requests for Proposals in this docket, enclosed for the Commission's records are thirteen (13) copies of Puget Sound Energy, Inc.'s ("PSE") Request for Proposals from All Generation Sources ("All-Source RFP") and for Electric and Gas Demand Side Resources ("Energy Efficiency RFP"), which PSE issued on October 11, 2007.

PSE has provided email notification of the RFPs to approximately 300 interested stakeholders, including power marketing companies, utilities, energy efficiency companies and other entities involved in development or provision of electric energy resources. Email notification included the website location of the RFPs at WWW.PSE.COM/ENERGYENVIRONMENT/ENERGYSUPPLY/PAGES/PSE2008RFP.ASPX. PSE also provided notice of the RFPs to a variety of trade publications.

PSE will host a proposal conference for both RFPs on January 23, 2008. Questions regarding the All-Source RFP should be addressed to Roger Garratt, 425-462-3470 and questions regarding the Energy Efficiency RFP should be addressed to Bill Hopkins, 425-462-3391.
