RE: *WUTC v. Trashbusters of Washington State, LLC*
Docket TG-101639

Dear Judge Torem:

On May 19, 2011, the Commission rescheduled the status conference in this matter to June 21, 2011. The purpose of the rescheduling was to allow Staff additional time to review Trashbusters' filings associated with its 2009 and 2010 regulatory fees (pertaining to its 2008 and 2009 annual reports, respectively). Trashbusters was required to make these filings and payments pursuant to a compliance agreement entered into with Commission Staff. Staff has now reviewed Trashbusters' annual reports and regulatory fee payments and concludes that they satisfy Trashbusters' obligations for the years specified above. Staff, therefore, recommends that the Commission cancel the upcoming status conference, dismiss the complaint, and close this docket.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gregory J. Trautman".
