Re: Qwest v. Eschelon Arbitration, Docket No. UT-063061

Dear Ms. Washburn:

On behalf of Eschelon and Qwest, this letter confirms the representations made during the telephone conference conducted today between Judge Clark and the parties in the above-referenced docket that, in light of the retirement of Judge Wallis and the Commission's resulting resource constraints, the parties agree to postpone the evidentiary hearings currently scheduled in this proceeding for the week of January 29, 2007. Accordingly, the parties request that the January 12, 2007 date for the prefiling of rebuttal testimony and exhibits and all remaining dates in the current procedural schedule be continued pending the adoption of a revised procedural schedule in a prehearing conference to be conducted next week.

Please contact me if you have any questions regarding the parties' request.

Very truly yours,

Davis Wright Tremaine LLP
