Dear Mr. Danner:

Consistent with condition 11, Milestone Reporting, approved by the Commission in the CenturyTel-Embarq Merger, Docket No. UT-082119, attached is a copy of a notice that is being sent to users of CenturyLink's wholesale ordering system for local interconnection services. As you will recall a similar notice was sent to users of our access service back in March.

Please contact me if you have any questions regarding this matter.

Sincerely,
