

BEFORE THE STATE OF WASHINGTON
UTILITIES AND TRANSPORTATION COMMISSION

WASHINGTON UTILITIES AND
TRANSPORTATION COMMISSION,

Complainant,

v.

PUGET SOUND PILOTS,

Respondent.

Docket TP-220513

**RESPONDENT PUGET SOUND
PILOTS' REPLY IN SUPPORT OF
MOTION TO SUPPLEMENT THE
RECORD**

- I. Puget Sound Pilots ("PSP") have no issue with either of the conditions requested by Commission Staff in the event the pending PSP Motion to Supplement the Record is granted. Specifically, with respect to the Staff request that PSP "clarify how its supplemental material revises or replaces existing testimony and exhibits filed by PSP," Witness Weldon Burton's supplemental testimony should be treated as replacing that of Magen Brooks and Mr. Burton should be now considered PSP's principal accounting witness with respect to PSP's pro forma statements of operations. Further, PSP has no objection to a four week extension of the case schedule, except for the settlement conference dates.
