Respondents.

- 1 On October 17, 2002, the Commission entered its Final Order; Vacating Default Order, In Part; Dismissing Complaint Against Parties Obtaining Compliance or Ceasing Doing Business; and Revoking Registrations of Parties In Default pursuant to WAC 480-121-060. The order revoked the registration of 103 registered telecommunications companies for failure to pay regulatory fees and file annual reports.
- 2 Through administrative error, Commission Staff failed to note that Inter-Tel NetSolutions, Inc. timely filed its annual report and paid its regulatory fees until October 16, 2002. Inter-Tel NetSolutions, Inc.'s annual report and regulatory fees were received by the Commission on August 7, 2001. As a result Inter-Tel NetSolutions, Inc.'s registration is current.
- 3 Consequently, Commission Staff is requesting rescission of the order revoking Inter-Tel NetSolutions, Inc.'s registration.

DATED this _____ day of October 2002.
