RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-060415

Dear Mr. Wagner:

As you are aware, on May 31, 2006, the Washington Utilities and Transportation Commission ("commission") issued a Penalty Assessment against Bill's Transfer, Inc. in the amount of \$100 for violation of commission rules requiring household goods carriers to conduct operations under the name shown on their respective household goods permits.

The commission has not received the \$100 payment due and owing.

This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$100.00 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

Sally Brown
Senior Assistant Attorney General
