RE: Complaint TG-082129 Renee Coe, Shelley Damewood, and Shannon Tomsen

Dear Commission,

Point Recycling and Refuse Company (G-155) requests that the Commission dismiss this Complaint TG-082129 immediately without hearing. Many issues in the Complaint such as the Point Roberts Transfer Station; the design of the Point Roberts Solid Waste System; and possible modifications to Whatcom County Solid Waste Plan and Ordinances; are outside of the regulatory jurisdiction of the Commission. Portions of the relief sought by the Complainant are outside of the regulatory mandate and authority of the Commission. Point Recycling is in full compliance with all WUTC rules and regulations other than the Whatcom County Service Level Ordinance regarding Curbside Recycling Collection. The issue of Curbside Recycling is being addressed in Dockets Numbers TG-081089 and TG-080913. The Complainants have had opportunity to comment to the Commission in TG-080913 and through the Consumer Affairs Process. The Complainants have also expressed their opinions to Whatcom County. The Complainants consumer rights have been protected and the Complaint is baseless and without merit.

Sincerely,

Arthur Wilkowski
