Thank you for your inquiry. We do have a bus available on September 23. It can accommodate your party. We also have a few questions so that we can quote properly. Can you provide us your telephone number please? 206.579.5911 is how you can reach us.

Thank you

I was thinking about renting a bus for a Mariner game last week. We decided since they are sooo bad, we will change plans and go to a Sounders game. Do you have a bus available 9/23/15? Does it have room for 16-18 guys?
What is the cost for the evening say 6:00? How much do I need to put down to hold it?
Sorry, lots of questions, but I am trying to figure out how much it will be for each of us. Even a range will help. I need to know soon, so I can get tickets.

Thank you
