To whom it may concern,

We greatly appreciate having the Jolly Trolley cruising our streets and offering rides to multiple destinations. I proclaim that we keep the Jolly Trolley and respect its own rates and destination schedule. Just as any other business in our town they deserve to do "business" regardless of the competitors opinions- because that is exactly what it is "opinions". I highly believe there is a vast majority of residents and tourists who love the Jolly Trolley. It's wonderfully unique and besides the nice owner is a local friend to many.

Long Live the Jolly Trolley :) Docket No. TC-160821

Thanks for your time,

Lupe
