This is our response to our Penalty Assessment.. We are asking for the penalty to be reduced/suspended and a payment plan implemented if desired.

We are seriously trying to work on our Safety Management Plan and currently working on a final revision.

Kind Regards,  
Anna

Good afternoon,

I was reviewing the docket and noticed that your company has not responded to the revised penalty assessment that was issued on September 9, 2022 in docket TV-220511. The response was required within 15 days, which has now passed. The commission may still accept your response even if tardy, so I am reaching out as a courtesy. Penalty Assessment attached.
