**NOTICE RESCINDING ORDER 01**

Re: *In the Matter of the Application of Stroh's Water Company, Inc., for the Sale and Transfer of Assets to Washington Water Service Company,*  
Docket UW-220614

TO ALL PARTIES:

On August 5, 2022, Stroh's Water Company, Inc., (Stroh's or Company) and Washington Water Service Company filed with the Washington Utilities and Transportation Commission (Commission) an application for sale and transfer of assets pursuant to Revised Code of Washington (RCW) 80.12 (Application). The matter was brought before the Commission at its regularly scheduled open meeting on September 15, 2022. After the open meeting, the Commission entered Order 01, Granting Application for Sale and Transfer of Assets; Adopting Tariff (Order 01).

On October 31, 2022, Commission staff (Staff) filed a Petition for Rescission of Order 01 (Petition), requesting that the Commission rescind Order 01 to allow time for Stroh's to notify its customers of the proposed sale and for those customers to have an opportunity to comment on the proposed sale at the Commission's December 22, 2022, open meeting. In the Petition, Staff stated that the Company did not object to rescission.<sup>1</sup>

Because the Company consents to the relief requested by the Petition and in order to allow Stroh's customers an opportunity to comment on the Application, the Commission finds good cause to rescind Order 01, and rehear the matter at its regularly scheduled open meeting on December 22, 2022.

AMANDA MAXWELL  
Executive Director and Secretary

<sup>1</sup> Per WAC 480-07-875(1), the Commission may, in response to a petition, rescind an order provided that the affected company receives notice of the petition and an opportunity to respond. Here, because the Company has already agreed to rescission, the notice requirement is moot and the Commission may rescind Order 01 without further notice or opportunity to respond.
