(Consolidated)

JOINT MOTION TO AMEND PROCEDURAL
SCHEDULE

COME NOW, Avista Corporation, the Staff of the Washington Utilities and Transportation Commission, the Office of Public Counsel, and the Alliance of Western Energy Consumers (AWEC), (hereafter, "Joint Movants"), representing all parties in this remanded proceeding, and jointly move for an amendment to the procedural schedule established in Order 07. This amendment would only serve to delay by ten (10) days the date for the filing of Staff, Public Counsel and Intervenor Response Testimony, from August 20, 2019 to August 30, 2019. All other dates would remain the same, and the ultimate disposition of this case will not be delayed.

Joint Movants believe that an additional delay in the filing of testimony will allow the parties more time to discuss possible settlement alternatives, following on earlier settlement discussions on August 6, 2019. As such, this may contribute to a prompt and fair resolution of this proceeding.

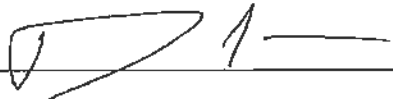

WHEREFORE, for the foregoing reasons, Joint Movants, respectfully request a modification of the procedural schedule that would substitute August 30, 2019, for the earlier date of August 20, 2019, with respect to the filing of Staff, Public Counsel, and Intervenor Response Testimony.

DATED this 14th day of August 2019
