Yakama Power Data Request 09

Has the BIA threatened or actually imposed any fine or other punitive action against the Company for the Company's failure to obtain or maintain legal authority to construct, operate or maintain facilities on Trust Land? If so, please describe and provide all documents relating to each instance.

Response to Yakama Power Data Request 09

Pacific Power is unaware of any threats or fines imposed by the Bureau of Indian Affairs for the construction, operation, or maintenance of electric transmission and distribution facilities within the Yakima Indian Reservation.
