I am a mother, grandmother ~~and~~  
retired nurse and PSE ratepayer.

I am here to ask Puget Sound  
Energy to plan now for the  
retirement of Units 3 and 4 at  
Colstrip, Montana, and to be  
completed by 2025, or sooner.

This is very important to me  
as a way of getting us off  
of coal fired electricity.

Thank you
