RE: *Washington Utilities and Transportation Commission, Complainant, v. Waste Control, Inc., Respondent, Docket TG-140560*

TO ALL PARTIES:

On November 17, 2014, the Commission’s regulatory staff (Staff) filed an Objection to, and Motion to Strike, the Supplemental Testimony and Exhibits (Motion to Strike) filed on behalf of Waste Control, Inc. (WCI). Among other things, Staff argues that WCI improperly filed “new evidence” at a time when closing briefs were due.¹ In light of the allegations raised by Staff and the necessity for a ruling on the Motion to Strike prior to any further briefing, the procedural schedule in this docket is vacated.

NOTICE IS HEREBY GIVEN That parties who wish to respond to Staff’s Motion to Strike must do so by 12:00 p.m., Friday, December 5, 2014.

NOTICE IS ALSO HEREBY GIVEN That parties who wish to reply to any responses to Staff’s Motion to Strike must do so by 12:00 p.m., Friday, December 12, 2014.
