**Subject:** Gasco Sediments Site Field Change Request Form 1

Hunter,

**GASCO0049825**

Attached for your review and approval please find Field Change Request Form 1 for the Gasco Sediments Site Spring 2023 ISS lab pilot treatability study investigation. This change is associated with a proposed treatability study core recovery acceptance deviation with the EPA-approved *Revised In Situ Stabilization and Solidification Bench Scale Treatability Field Sampling Plan*.

If you have any questions during your review, please contact Ryan Barth.
