Re: Docket Nos. UT-003022 and UT-003040

Dear Ms. Washburn:

Qwest is writing to ask for an additional week to prepare and file an updated SGAT reflecting the agreed upon and ordered language to date. The current due date is March 13, 2001. Workshop #3 will be in progress on that date, making internal review of the SGAT difficult. Additionally, Qwest is still working on compliance language in connection with the February 23, 2001 order on Workshop #2 issues. Qwest believes that it can accomplish the filing by March 20, 2001.

Sincerely,

Lisa A. Anderl
