BOILERS @ THE COALSTRIP COAL PLANT. FURTHER, I AM  
WRITING THIS LETTER TO YOU TO RETIRE THE  
OTHER 2 WITH NO LATER THAN 2025.

THE REASONS:

1) THE COALSTRIP COAL PLANT IS THE 8<sup>TH</sup>

ENERGY & JOIN THE RANKS OF MICROSOFT,  
STARBUCKS, & RET.

BYPASS → ~~BEHIND~~ → BECOME A LEADER  
CREATE JOBS THAT IS  
COST EFFECTIVE FOR YOU.

A) NO TO GAS -- DON'T GO FROM 1 BAD  
ENERGY SOURCE TO ANOTHER.

B) YOU WILL BE SPENDING + WASTING MILLIONS  
ON UNNECESSARY, UNNECESSARY, + HIGHLY POLLUTING  
WATER TREATMENT PLANTS.

I AM SURE YOU CARE THE MOUNTAINS, BEACHES, LAKES  
& FORESTS. HELP BE A PART OF THE CHANGES THAT  
CAN ALTER LIVES. FOR THE BETTERMENT.

THANK YOU FOR YOUR TIME & ATTENTION.

SINCERELY,
