Re: WUTC v. PacifiCorp D/B/A Pacific Power & Light Company
Docket No. UE-090205

Dear Mr. Danner:

Public Counsel is filing this "status report" regarding the individual customer notice in this case, pursuant to Appendix B of the Prehearing Conference Order (Order No. 04) entered March 24, 2009. Because discussions are not yet complete, we request that an additional report-back date be set for June 1, 2009. At that time, Public Counsel will file a follow-up status report regarding the content and format of the notice.

PacifiCorp, Public Counsel, and the Commission Consumer Protection and Communications Division (the parties) are working together to draft a notice that complies with the requirements of WAC 480-100-194 and -197. The parties began discussions on the notice shortly after the March 23, 2009 Prehearing Conference and are currently exchanging drafts. The parties are also awaiting confirmation from the Commission on the date and time of the Public Comment Hearing (currently anticipated for October 12, 13, or 14, 2009). The parties hope to finalize the notice by the early June follow-up.

Sincerely,

SARAH A. SHIFLEY
