Pacific Northwest. AWEC represents some of PacifiCorp d/b/a Pacific Power’s (“PacifiCorp” or  
“Company”) largest customers.

6                   On March 13, 2023, PacifiCorp filed its Revised Clean Energy Implementation  
Plan in accordance with Order 06 in Docket UE-220376. The outcome of this proceeding will  
substantially and directly affect those of AWEC’s members who purchase electricity from  
PacifiCorp. AWEC therefore requests leave to intervene in this docket to represent and take  
positions on behalf of its members who are affected by the Company’s rates and programs.

7                   AWEC’s attorneys and consultants have extensive experience in proceedings  
before the Commission involving PacifiCorp. They have represented AWEC or its members in  
many prior Company proceedings over the past decades, including its Power Cost Only Rate  
Case, UE-210402, its Limited Issue Rate Filing, UE-210532, and its last General Rate Case, UE  
191024. AWEC is also a party to the Company’s current General Rate Case, Docket UE-  
230172. AWEC’s intervention in this proceeding will assist the Commission in resolving issues  
and will not unreasonably broaden the issues, burden the record, or delay this proceeding.
