

Aug. 31, 2017

To: WA Utilities & Transportation Commission
From: Elizabeth Rodrick, PSE Customer
10109 Steamboat Island Rd NW, Olympia, WA 98504
Subject: UE-170033 and UB-170034

I want PSE to get off coal by 2025 and not pass on expenses associated with the coal strip plant to customers.

I am working to get Washington State committed to 100% renewable energy sources as soon as possible. I want a "clean and green future" for my children and grandchildren.
