Replacement Synergy Report

Dear Mr. Danner:

In compliance with paragraph 50 of the Commission's Order 05 in the CenturyTel-Embarq Merger, Docket UT-082119, CenturyLink earlier submitted its annual report of the costs and synergy savings associated with the CenturyTel-Embarq merger. Pursuant to subsequent discussions with Commission Staff CenturyLink hereby submits a revised replacement report.

The revised replacement report contains highly confidential information and should be afforded such treatment under the protective order in Docket UT-082119. An original and 12 copies of the unredacted revised replacement report as well as an original and one copy of the redacted revised replacement report are attached hereto.

You may contact Mary Taylor at 360-943-6996 or e-mail at [mary.taylor@centurylink.com](mailto:mary.taylor@centurylink.com) if you have any questions regarding this matter.

Sincerely,
