Re: *In the Matter of the Petition of the Quest Corp. (AFOR Classification),*
Docket UT-240029

Dear Director Killip:

Enclosed please find the revised response testimony of Jean Marie Dreyer Exhibit JMD-1Tr this is the adopted testimony of former Public Counsel Expert Stephanie K. Chase, exhibit SKC-1T. Please note that Jean Marie's testimony adoption does not include any substantive changes to the arguments made, however does revise the qualifications question and answer at 1:11–2:14 in addition to various other nonsubstantive changes throughout. Because there are no changes made to SKC-2 through SKC-5 they are not being refiled and are adopted in whole.

In this filing, please find the revised redlined version as well as a clean version of JMD-1Tr, Exhibits List, and the Certificate of Service. Thank you for your attention to this matter.

Sincerely,

/s/
