Description	We are writing to protest the proposed rate increase scheduled by Rosario Utilities on Orcas Island. We are on the Ready to Serve Customer rate at resent time. We just finished paying for a water meter which we could have had installed ourselves for much less than charged by Rosario Utilities. We also feel that the proposed rate of \$24 per month is very excessive for no service and no water. We fought Rosario for many years just to get a membership and made several trips to Olympia to appear before the WUTC. This is just too much to ask of us. We hope you will reconsider all of these rate increases for Rosario. Thank you!
