Re: Velocity The Greatest Phone Company Ever, Inc.
FCC - Access Tariff Filing
Docket UT-090938

Dear Sir or Madam:

Pursuant to the Federal Communications Commission's November 18, 2011 Report and Order requiring the filing of switched access tariffs by all local exchange carriers, competitive local exchange carriers, and competitive access providers, Velocity The Greatest Phone Company Ever, Inc., does not provide access services and does not have an Access Tariff on file. Therefore, no tariff filing is required in Washington.

If you have any questions or if I may provide you with additional information, please do not hesitate to contact me. Thank you.

Respectfully submitted,

Janet Willis
