<p>WAC 480-30-244 Liquor Permit Required</p> <p>WAC 480-30-036(1) Definitions, general, Liquor permit holder</p>	<p>Jess Sandhu A&A Limousine & Bus Service</p>	<p>The commenter agrees with the recommendations made by the UTC, however, suggests that if there are passengers under 21, liquor should not be served and a chaperone should not be required.</p>	<p>The underlying statute and proposed rules do not specifically require a chaperone for passengers under 21. The statute and proposed rules require that if a party charters a bus and serves alcoholic beverages, that party must obtain a liquor permit. The holder of the liquor permit must be 21 or older and responsible for compliance with the requirements of WAC 480-30-244 and chapter 66.20 RCW during the provision of transportation services. These are the only requirements for any chaperone-type service. Companies may include more stringent requirements.</p>
