Docket UG-152394

TO ALL PARTIES:

On February 25, 2016, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Order Granting Petition (Order 01) in this docket. Order 01 approved Avista Corporation's (Avista or Company) petition for approval of changes to the Company's natural gas line extension tariff and accounting ratemaking treatment on a temporary basis, and required Avista to file semi-annual reports showing the impact of the increased allowance and rebates during the three-year pilot period beginning March 1, 2016.

On September 28, 2018, Avista filed its fifth Natural Gas Line Extension Allowance Program Semi-Annual Report (Report), and on March 12, 2019, Commission staff (Staff) filed a letter in this docket informing the Commission that Staff had reviewed the Report and believes that it complies with the requirements of Order 01.

The Commission accepts the Report as in compliance with Order 01.
