**RE: Docket UE-160082 - Tariff WN U-28 (2<sup>nd</sup> Substitute Tariff Schedule 77) - Correction**

Dear Mr. King,

On March 21, 2016, Avista Corporation, doing business as Avista Utilities (“Avista” or “Company”), filed proposed WN-U28, 2<sup>nd</sup> substitute tariff Schedule 77, Electric Vehicle Supply Equipment (“EVSE”) Pilot Program. In its cover letter and workpapers the Company inadvertently included an incorrect rate of \$0.39/kWh for DC Fast Charging (DCFC) at Blink stations in the State of Washington for Blink network members. The correct rate at Blink DCFC stations for network members is \$0.49/kWh. The corrected table comparing DCFC rates in the State of Washington is as follows:

| Source                 | # of DCFC in WA | Cost per Session | Cost per Minute | 10 Min        | 15 Min        | 20 Min        | 25 Min        | 30 Min        | 35 Min         | 40 Min         |
|------------------------|-----------------|------------------|-----------------|---------------|---------------|---------------|---------------|---------------|----------------|----------------|
| Aerovironment          | 13              | \$7.50           | \$0.00          | \$7.50        | \$7.50        | \$7.50        | \$7.50        | \$7.50        | \$7.50         | \$7.50         |
| Blink*                 | 26              | \$0.00           | \$0.327         | \$3.27        | \$4.90        | \$6.53        | \$8.17        | \$9.80        | \$11.43        | \$13.07        |
| eVgo                   | 1               | \$4.95           | \$0.20          | \$6.95        | \$7.95        | \$8.95        | \$9.95        | \$10.95       | \$11.95        | \$12.95        |
| Avista DCFC (proposed) | 7               | \$0.00           | <b>\$0.30</b>   | <b>\$3.00</b> | <b>\$4.50</b> | <b>\$6.00</b> | <b>\$7.50</b> | <b>\$9.00</b> | <b>\$10.50</b> | <b>\$12.00</b> |

\*Blink charges \$0.49 per kWh for Blink network members. At 40 kW output the rate per minute is equivalent to \$0.327 for Blink network participants.

In addition, corrected workpapers supporting the Company’s filing are enclosed. If you have any questions regarding this filing please call me at 509-495-2782.
