Charge terms Net 30 days from date on invoice. Interest at the rate of 11/2% per month (18% ANNUAL PERCENTAGE RATE) will be charged on past due amounts. Purchaser agrees to pay all costs of collection, including reasonable attorney's fee. Venue and jurisdiction of any suit or legal action will be in Seattle King County, Washington. Customer waives the right to a jury trial.

The only warranties applying to these repairs are those which may be offered by the manufacturer and are typically (1) year beginning at date of service with unlimited mileage. Present copy of invoice to dealer for proof of purchase. RWC Group hereby expressly disclaims any liability for downtime. A storage fee of \$35/day may be incurred on vehicles on site more than (3) days after declining of work or completion of repairs.

*****NO CORES RETURNABLE AFTER 20 DAYS*****
 (SIGNED) DEALER, GENERAL MANAGER OR AUTHORIZED PERSON (DATE)

STATEMENT OF DISCLAIMER
 RWC Group may file a warranty claim and/or parts core return for this repair. This is a service RWC Group provides to our customers, but does not release you from liability for the charges. If the warranty claim or core return is denied, RWC Group will debit back to your account plus freight charges, and you will be responsible for payment. If you don't have an account you will be expected to pay the charges within 10 days of notification by RWC Group. RWC Group will supply documentation from the manufacturer documenting the denied claim.

325008 4023 Removed engine and components to access, cleaned related. Began swap over, was not able reinstall EGR valve (no threads) - drilled and reinstalled two helicoils. Drilled and reinstalled one more heli coil at intake manifold were throttle housing mounted to intake. Completed component transfer. Reinstalled engine, (was necessary to remove fire extinguisher mounted at box behind the cab and remove cab mount latch) to able to get engine in place. Finished up, calibrated injectors, Wasn't able to prime system reinstalled temporary good used prime pump, primed and started engine. Removed prime pump. Plumbed fuel hoses back start and run, engine died same problem won't prime. Ordered and replaced prime pump. Ran to temperature, road tested, and rechecked OK. No codes, no leaks. Reassembled old engine for core.
