Re: Docket TC-108796, Order 01 and Notice Setting Brief Adjudicative Proceeding

Dear Mr. Johnson:

On behalf of Bremerton-Kitsap Airporter, Inc. ("BKA"), this is to formally request that the Commission withdraw the portion of the tariff and time schedule subject to suspension in this matter and referenced in Order 01 served September 27, 2018. We thus also request that the Commission cancel the brief adjudicative proceeding scheduled for November 19, 2018 in the knowledge that BKA will now file an extension application for certificate C-903 in order to add the Holiday Inn Express location and potentially other points to its certificate in order to avoid the possibility that successive proceedings on the complaint and an extension application would have to be convened and thus further the administrative economy of the proceeding.

Please contact the undersigned should you have any further concerns or questions on this request.

Yours truly,

Richard Asche
President, Bremerton-Kitsap Airporter, Inc.
