RE: *Cascade Natural Gas Corporation*, **Docket UG-230551**

Dear Amanda Maxwell:

On June 30, 2023, Cascade Natural Gas Corporation (Cascade) filed with the Washington Utilities and Transportation Commission (Commission) gas tariff sheets to revise its Tariff WN U-3, which governs Cascade's provision of natural gas service in Washington.

On July 31, 2023, the Commission entered Order 01, Approving Tariff Sheets Subject to Conditions. Order 01 required Cascade to file revised Tariff Sheets complying with the language in the Order.

On August 1, 2023, Cascade submitted a compliance filing as required by the Commission. Commission staff (Staff) has reviewed Cascade's filing and believes that the tariff revisions contained therein comply fully with the Commission's final order.

Sincerely,

Corey Cook
