**NOTICE OF BENCH REQUEST  
(Due by Friday, May 1, 2009)**

RE: *WUTC v. PacifiCorp d/b/a Pacific Power & Light Company*,  
Docket UE-090205

TO ALL PARTIES:

The following bench request is directed initially to PacifiCorp. However, the parties are reminded of the continuing requirement to comply with the provisions of Order 04, *Prehearing Conference Order*,<sup>1</sup> entered March 24, 2009, and further clarified by Order 05, *Order Granting Request for Clarification*,<sup>2</sup> entered March 31, 2009, at the time they file exhibits corresponding to the revenue requirements exhibit identified in the direct testimony exhibit of R. Bryce Dalley, RBD-3, for PacifiCorp, or file revised revenue requirements exhibits or supplemental revenue requirements exhibits. Parties that do not file full results of operations cases should ensure that they explain in detail how the recommendations of their witnesses, if adopted, affect the results of operations.

**Bench Request No. 1:** By Order 04, *Prehearing Conference Order*,<sup>3</sup> entered March 24, 2009, and further clarified by Order 05, *Order Granting Request for Clarification*,<sup>4</sup> entered March 31, 2009, PacifiCorp was directed to file certain exhibits in a separate electronic spreadsheet file and to provide the rate of return rounded to the second decimal point. The electronic spreadsheet file submitted on March 27, 2009, to support your results of operations and adjustments link only to values, not to the underlying formulas. Moreover, the rate of return is not rounded to the second decimal point.

<sup>1</sup> ¶¶ 8- 11.

<sup>2</sup> ¶ 3.

<sup>3</sup> ¶¶ 7 and 11.

<sup>4</sup> ¶ 3.

Please resubmit the balance sheets and income statement used to support results of operations. The resubmitted file(s) must be in Excel format and include all linked files with all formulas and formatting in every spreadsheet intact (formulas not converted to values or otherwise modified from original). Please provide the requested file(s) on a CD. In addition, the rate of return should be provided rounded to the second decimal point (8.13 percent rather than 8.135 percent).

Sincerely,
