Re: PacifiCorp's Compliance Filing—Order 08/06, Revisions to PacifiCorp's General Tariffs
Dockets UE-230172/UE-210852

Dear Mr. Killip:

On March 19, 2024, the Washington Utilities and Transportation Commission entered Order 08/06 in these consolidated dockets. Order 08/06, among other things, rejected the tariff revisions filed by PacifiCorp in Docket UE-230172, approved a multiparty settlement to resolve the company's 2023 general rate case, and required PacifiCorp to make a compliance filing by April 3, 2024.

On March 26, 2024, PacifiCorp filed revised tariff sheets for Tariff WN U-76. Those tariff sheets, which are listed on the attachment to this letter will become effective April 3, 2024.

Order 08/06 authorized a revenue requirement increase of \$12.68 million to PacifiCorp's base rates for Rate Year 1. Consistent with the order, PacifiCorp has updated its net power cost forecast, and this results in a revised revenue requirement increase of \$10.9 million. Schedule 92 contains the adjustment for both the Coal Facilities Tracker identified in paragraph 12 of Attachment A to Order 08/06 and the Fly Ash tracker identified in paragraph 16 of that same attachment. Schedule 92 provides a rate reduction of approximately \$3.4 million that will occur through a separate tracking mechanism over two years.

Commission Staff has reviewed the Company's compliance filing. Staff believes that the revised tariff pages comply with Order 08/06.

Sincerely,

/s/ *Jeff Roberson*, WSBA No. 45550
