Re: Docket No. UT-021120  
Dex Transfer Application

Dear Ms. Washburn:

An error was found in the attachment to Qwest's Answer to Staff's Motion to Remove Confidentiality Designations, which was filed on April 23, 2003. The error was on page 3 of the attachment, where the information on page 54 of Dr. Selywn's testimony was designed as non-confidential, when in fact that testimony is confidential. The enclosed attachment reflects the correction of that error. An original and 12 copies of the corrected attachment, as well as a diskette with an electronic copy of the corrected attachment, are enclosed.

Sincerely,

Lisa A. Anderl
