Olympia, WA 98504-7250

Re: TracFone Wireless, Inc. – Notice of Lifeline Service Offering  
Docket Number UT-093012

Dear Mr. King:

Pursuant to Paragraph 39 of the Commission’s Final Order designating TracFone Wireless, Inc. (“TracFone”) as an Eligible Telecommunications Carrier in Docket UT-093012, TracFone hereby provides notice to the Commission of a new Lifeline service option available to low-income households in Washington that qualify for Lifeline service under relevant federal and state laws. Commencing on or about September 13, 2017, TracFone will offer a TracFone Wireless Financial Assistance Program (“Financial Assistance Program”) funded by the federal Universal Service Fund Lifeline Program. The existence of the Financial Assistance Program will not impact the terms and conditions of service offered to TracFone’s SafeLink Wireless® Lifeline customers.

The terms and conditions of the Financial Assistance Program include the following:

- The Financial Assistance Program will be available to customers who purchase a Walmart Family Mobile plan that meets the federal minimum service standards for Lifeline service set forth in 47 C.F.R. § 54.408.
- Households seeking to enroll in the Financial Assistance Program must meet all federal and state Lifeline eligibility requirements. Applicants must complete an application form, provide supporting documentation demonstrating that they are eligible for Lifeline service, and certify, under penalty of perjury, that they understand and will comply with various Lifeline Program requirements.
- Households that qualify for the Financial Assistance Program will receive a discount of \$9.25 per month to reduce the cost of their Walmart Family Mobile monthly phone service. Customers residing on Tribal Lands will receive a discount of \$34.25 per month.
