**Re: Subpoenas Duces Tecum Served on Telecommunications Carriers  
Seeking Information Relating to the Alleged Provision of Telephone  
Call History Data to the National Security Agency**

Dear Counsel:

This letter is to advise you that today the United States of America has filed a lawsuit against the Attorney General and other officials of the State of New Jersey, as well as AT&T Corp., Verizon Communications, Inc., Qwest Communications International, Inc., Sprint Nextel Corporation, and Cingular Wireless LLC (together the "telecommunications carriers"). That lawsuit seeks a declaration that those state officials do not have the authority to enforce subpoenas duces tecum (hereafter the "subpoenas") recently issued to the telecommunications carriers seeking information relating to the alleged provision of "telephone call history data" to the National Security Agency, and that the telecommunications carriers cannot respond to these subpoenas. A copy of the Complaint the United States has filed, as well as a letter we have sent today to Attorney General Farber, are attached hereto.

As noted in our Complaint and letter to Attorney General Farber concerning those issues, the subpoenas infringe upon federal operations, are contrary to federal law, and are invalid under the Supremacy Clause of the United States Constitution. Responding to the subpoenas – including by disclosing whether or to what extent any responsive materials exist – would violate federal laws and Executive Orders. Moreover, the Director of National Intelligence recently has asserted the state secrets privilege with respect to the very same topics and types of information sought by the subpoenas, thereby underscoring that any such information cannot be disclosed. For these reasons, described in more detail in the attachments hereto, please be advised that we

Messrs. Berenson, Kester, Rogovin, Ms. Varney

believe that enforcing compliance with, or responding to, the subpoenas would be inconsistent with and preempted by federal law.

Please do not hesitate to contact Carl Nichols or me should you have any questions in this regard.

Sincerely,

Peter D. Keisler  
Assistant Attorney General
